Dr. Kshamata Chaudhary is presenting

Henry V

After an insult from the French Dauphin, King Henry V of England invades France to claim the throne he believes should be his. Henry stops an assassination plot, gives powerful speeches, and wins battles against the odds. In the end, he woos and marries the Princess of France, linking the two nations. Henry becomes king, kills a bunch of his old friends, and conquers the French by marrying Catherine.

Henry VI Part 1

After Henry V's death and while Henry VI is young, nobles rule England and fight the French, including Joan of Arc. As Henry VI becomes King, the noble houses begin to divide and take sides between York and Lancaster. The war with France winds down, and the nobles try to find Henry a wife and disagree about who Henry chooses. Henry agrees to marry Margaret in the end.
