Dear Colleague,

To strengthen the Health Systems in order to facilitate organ donation & organ transplant is an important priority of the Govt. One organ donor can save upto 8 lives. A huge gap exists between patients who require organ transplants and the organ donors that are available. In this context, Govt. of India has established **National Organ and Tissue Transplant Organisation (NOTTO)**, an apex organization and similar organizations at regional and state level to provide for an efficient and organized system of organ procurement and distribution in the country and to maintain a national registry of donors and recipients of organs and tissues.

NOTTO celebrates the Indian Organ Donation Day (IODD) every year to augment awareness about organ donation, dispel myths and misconceptions associated with organ donation and motivate and encourage the citizens of the country to donate organs and tissue after death, as well as to imbibe the value of organ donation in their lives.

This year, it has been decided to run an awareness campaign by the name of **"Angdaan Mahotsav"** in line with the Azaadi ka Amrit Mahotsav to celebrate and commemorate 75 years of independence of India. As part of the campaign, **3rd August 2023** will be celebrated as the Indian Organ Donation Day to commemorate the first deceased donor organ transplant, which was also the first Heart transplant done in the country, after promulgation of "The Transplantation of Human Organs Act" on 8th July, 1994. The month of July 2023 (1st -31st July) is being organized as the Organ Donation month wherein many awareness activities have been planned.

JS(YA)

The specific objectives of this year's campaign are:

- To reduce the demand for organ transplantation by promoting healthy lifestyles & wellness.
- To spread awareness about brain stem death, deceased organ donation & control of illegal practices related to organ transplantation.
- To bust myths and misconceptions related to organ donation & transplantation.
- To increase identification and declaration of cases of brain stem death by the hospitals
- To augment organ donation & transplantation infrastructure in the Govt. sector institutions.
- To train the required manpower.

The suggested action plan for the event is as follows:

- To maximize registration of Pledges for organ and tissue donation.

ON

**INDIA'S PANCH PRAN- A YOUTH DIALOGUE / BHARAT KE PANCH PRAN- EK YUVA
PARICHARCHA: A DRAFT PROPOSAL**

Background

Yuva Samvad-India@2047 was held at the national level by the Ministry of Youth Affairs & Sports on 12th August, 2022 as part of the International Youth Day celebrations at Akashvani Bhavan, New Delhi. During the program, Hon'ble Minister, Youth Affairs and Sports declared that similar events shall be conducted across the nation so as to enable the voice of the youth to be heard for shared dreams and visions for the country as it moves from Amrit Mahotsav towards Amrit Kaal. Carrying forward his vision, the Department of Youth Affairs plans to conduct Yuva Samvad- India @ 2047 at universities across the country.

The Hon'ble Prime Minister has gifted the Panch Pran to the nation during his Independence Day Speech on 15th August, 2022. These Prans shall play a vital role in ensuring the vision of Bharat as Vishwaguru in 2047. Hence it is essential for the youth to understand and adopt the Panch Pran in the age of Amrit Kaal. The Panch Pran are:

1. Goal of developed India
2. Remove any trace of slavery or colonial mindset
3. Take pride in our heritage and legacy
4. unity and solidarity
5. sense of duty among citizens.
